Secure hold of the bits thanks to mechanically locking 1/4" bit holder with magnet

With 30 bits and bit holder

Looking for the correct bit in the tool case is tedious and time consuming, especially when working on the move. The Standard bit set from Wiha is ideally suited for maintaining structure and system. Including 30 high-quality 25 mm standard bits, the box ensures order at all times and in every place, providing the correct bit for all manual and machine screw connections. The magnetic 1/4" universal bit holder with powerful Neodymium magnet securely and firmly holds the bits. The robust box made of stable high-quality plastic can be opened with simple unlocking and provides a clear overview of the collection of bits. Thanks to the convenient hook element the bit box can also be simply hung on the wall.
