Increases your efficiency: Compact and space-saving tool range.

Protects your health: With the patented SoftFinish® handle design, ensuring work is kind to hands and muscles. Recommended by doctors and therapists at German Campaign for Healthier Backs.

Offers you full protection: Each tool individually tested at 10,000 V AC and approved for 1,000 V AC.

Product dimensions: 353 x 237 x 44 mm (LxWxD)

Application: The small basic tool equipment for ambitious electricians, including pliers and screwdrivers.

Supplementary information: Manufactured acc. to IEC 60900.

slimBits allow access to low-lying screws thanks to inserted insulation

Power-saving and ergonomic pliers

Safe operation up to 1,000 V AC

Screwdriver and diagonal cutters, 5 pcs. in tool pouch

The 7-pcs. tool set provides the basic kit for the most common applications for electricians. Featuring a zip, carrying handle and pockets for hand tools, the fully folding tool bag provides plenty of storage space and a clear arrangement. Recommended by doctors and therapists, the insulated screwdrivers based on the SoftFinish® concept support ergonomic working. Also insulated, the diagonal cutters with DynamicJoint technology, a unique joint design for optimum hand force transmission, complete the equipment assortment in this tool bag. The tools undergo individual piece testing as per the international IEC 60900 standard, ensuring absolute safety and allowing users to work safely on live parts up to 1,000 V AC.

Tested according to IEC 60900
