78136 Schonach
E-Mail: info.de@wiha.com
Tel.: +49 (0)7722 959-0

Order no.: 39134

Article number: 39134

EAN: 4010995391348

Customs tariff number: 84661038

Product dimensions: 89 x 43 x 20 mm (LxWxD)

Application: Particularly suitable for applications in confined working environments. Ideal for screw profiles (e.g. TORX) that tend to jam in the screw.

The Wiha CentroFix SuperSlim bit holder easily reaches low-lying screws thanks to its outer diameter, which has been reduced by up to 30% compared to conventional quick release holders. The bit is automatically locked mechanically and securely held when inserted. (SelfLock) When unlocked by actuating the sleeve, the bit moves directly into the ideal removal position. (EasyOut)
