Order no.: 00953

Article number: 00953

EAN: 4010995009533

Customs tariff number: 82054000

Product dimensions: 230 x 205 x 140 mm (LxWxD)

Application: Allows user to transmit high torques without tiring and undo and fasten rusted, glued or tightly fastened screws easily.

Powerful fastening

Well organized storage in the work bench stand

Transferring high torques by hand requires great force. The Wiha T-handle L-key is the ideal tool for tightening or loosening tightly fastened screws, even if they are corroded or stuck. Fewer pressure surfaces and less stress on muscles make working with this tool a pleasure. The L-keys with T-handle are stored in a practical and sturdy metal work bench stand.
